

Unit 5: Geometry Part 2

	Objective	Daily Lesson	ASSIGNMENT	GRADE
Day 1 Thursday 9/10	Students will learn area and perimeter formulas and apply them to word problems.	Handout: Cheat Sheet CW: Finding Area WS (odds) Area and Perimeter Word WS (#1-5)	Finding Area WS (evens) Area and Perimeter Word probs. WS (#6-10)	
Day 2 Friday 9/11	Students will learn the volume formulas for 3-D shapes and apply them to solving for different values.	Volume notes	Finding Volume WS	
Day 3 Monday 9/14	Students will evaluate given formulas to solve for specific variables.	WU: volume CW: World's biggest rock group Evaluate formulas CW	Evaluate formulas HW	
Day 4 Tuesday 9/15	Students will apply volume formulas to real world objects and make comparisons.	Ordinary Object Activity		
Day 5 Wednesday 9/16	Students will solve literal equations.	Lesson: Solving Equations and formulas, Regents Exam Questions	Lawn is Always Dry	
Day 6 Thursday 9/17	Students will solve literal equations.	QUIZ: formulas from memory Literal Equations WS	Biologist	
Day 7 Friday 9/18	Students will practice skills learned in Geometry.	Review Geo Test part 2	Review sheet for Unit 5	
Day 8 Monday 9/21	Students will demonstrate knowledge of Geometry.	TEST Geo Test part 2	Midterm Review #1	
Day 9 Tuesday 9/22	Students will practice all 1 st Quarter material.	REVIEW FOR MIDTERMS	Midterm Review #2	
Day 10 Wednesday 9/23	Students will practice all 1 st Quarter material.	REVIEW FOR MIDTERMS	Midterm Review #3	
Day 11 Thursday 9/24	Students will demonstrate knowledge of all 1 st Quarter material.	Midterm EXAMS ____period and ____period		
Day 12 Friday 9/25	Students will demonstrate knowledge of all 1 st Quarter material.	Midterm EXAMS ____period and ____period
